

Bio Abby Rector nominee for Secretary

My name is Abby Rector and I am running for the position of Secretary of the Spa City Bop & Swing Dance Club. I have been a member for two years now and I thank you all for welcoming me and my husband Steve into this DANCE family.

Steve and I have been married for 35 years, we have 3 children and almost 3 grandchildren. We are empty nesters so we think it was a sweet blessing to find this type of a dance club where we can enjoy this phase of our lives by having such a blast with all you beautiful people.

As for the necessary credentials for doing the work of Secretary, I believe I am amply qualified. I am a Navy veteran and during my time in service, I was assigned as the secretary for my commanding officer; I received several letters of commendation. After that assignment, I became a payroll clerk and served in that department for almost four years. Since then I have worked as a hotel auditor, a bank teller, a bilingual customer service agent, an online sales distributor, a cleaning lady, and finally, a business proprietor of a vacation rental property.

I have a bachelor's degree from Liberty University with a major in Inter-disciplinary Studies with a focus on Business and Government. So I can genuinely say that I am a person who takes initiative and responsibility seriously; yet, understanding that at this time in our lives-

WE JUST WANNA HAVE FUN! Even though I am Latina, I along with my husband had never imagined we would enjoy dance as an extracurricular activity, especially since we have always considered ourselves to basically possess two left feet.

Sincerely, I would love the opportunity to serve this club by contributing of my effort, time and skill in the task at hand which every other Friday is for this group of people to come in, have a drink to relax and hit the dance floor.

I hope I can count on your vote.

Patriotically,

Abby Rector
