

## **Bio for Donna Brinkley Nominee for Vice President**

I am running for the upcoming position of Spa City BOP Club Vice President. I became an Arkansas resident in 2012 and within a year, joined the Spa City BOP Club with my then significant other, Bill, who, as most of you know, is and has been my husband since May 2017. I was born into a family of musically gifted parents and siblings and have been involved in various aspects of music leadership all of my life. It started with piano at age 3 and over the years, advanced to accompanying a few amazing vocalists, church choirs, singing with my high school concert choir and being on my school dance team. I played piano with orchestras and enjoyed 13 years accompanying one of the top 200 voice mass choirs in the Country. I sang with and played piano with my church Praise Team, I taught piano as a young teen and have enjoyed many musical experiences in my life. I served 5 years on The Board of Directors for The AMRO Music-Southwest Community College Music Scholarship Program in Memphis, TN. I was a professional pianist most of my adult life. I have organized and managed countless social events, fundraisers and other worthwhile (and exciting) events over the years. I have enjoyed and loved this dance community since the first time Bill introduced me and am now blessed to know many of you as extended family. I have served people all of my life, personally and professionally. I love people, I love serving, I love creating and I love celebrating my friends, most of whom are in this wonderful dance group. Those of you who know me well, know that I absolutely love celebrating each of you on your birthday month. My desire is to be more involved; to listen to your ideas and suggestions and be a voice and advocate for all of you as we continue finding ways to enhance and grow our dance club. I am a diligent and focused individual and I get things done. I would appreciate the opportunity to help “get things done” for our club. Thank you for considering me as your upcoming Vice President. It was an honor to be nominated and it will be an honor and a pleasure to serve each of you. Blessings to you all.
